Subject: Meleen Consent Agreement and Final Order

Mary and Tim,

It has been reported to me that the CAFO has now been signed by the Regional Administrator. Thus it is a fully executed agreement. However, due to a bit of extra, internal administrative processing that is necessary before filing with the Regional Hearing Clerk, we expect the CAFO will be filed next week on Monday, March 24. At any rate, we can breathe a little easier going into the weekend. I will report back on Monday if there will be any further delay in filing, but I fully expect it to be filed on Monday.

Thank you for your involvement in achieving a resolution in this matter.

Kevin
